

Instructor Development Course 2021

Invitation to apply

Over the course of 2020 we have been redesigning the Team Carlo Taekwondo Instructor Development Course and we are excited to launch in 2021. There are limited places available and we wanted to offer you the opportunity to apply.

The Instructor Development Course at a glance

The Instructor Development Course is a 12-month course offered to eligible students that have progressed through the first stages of the Leadership Course.

We provide a multifaceted learning experience through onsite theory and practical training, online learning and on-the job training. This approach ensures our participants experience a consolidated and varied framework for their learning.

Accompanying this letter is an Instructor Development Course Role Description and Course Timeline with further information.

The benefits of participating in the Instructor Development Course

Course members gain valuable life skills centred around presentation, communication and taekwondo instruction for younger students.

Members will be able to enhance the interpersonal skills and vary their communication style through interactions with other course members, their mentor, their managers and the students they will teach in class.

The foundation of the course is for members to develop teaching tools and strategies in line with Team Carlo culture. These foundational teaching skills are transferrable to a wide range of vocational opportunities.

An opportunity exists at the end of the program to apply for a Level 2 Instructor position at Team Carlo Taekwondo.

Learning support offered to the Instructor Development members during the course

We have developed a very clear and defined module learning process for the Instructor Development Course. The Management Team will continue to oversee the program supported by the Program Director, Sarah Tyrrell.

Through the provision of a Mentoring Program, course members will be supported by fully trained mentors who will act as a positive role model, coach, sounding board, voice of reason and a trusted resource.

The cost of the Instructor Development Program

The cost to participate in the Instructor Development Course is \$1200.

We have a limited number of scholarship positions available for 2021.

What are the next steps?

To apply for your position in the Instructor Development Course for 2021, please email info@teamcarlo.com.au advising why you would like apply for a place in the course.

If you wish to apply for a scholarship position, please indicate this in your email.
